Online tools for understanding the first procedures to be followed in France, and to access employment

● MOOC entitled "Working in France"

Cours de français professionnel en ligne et gratuit
À partir du niveau **A2**

- ✓ For foreigners who already have an A2 level of French.
- ✓ To learn French for professional purposes.
- ✓ This training provides the linguistic keys and social codes of the professional world (job search, job interviews, life in company), and is based on the vocabulary of five professional sectors: personal and business services, construction, health, IT, hotel industry, and catering.

⇒ For direct access to the MOOC "Working in France":
<https://www.fun-mooc.fr/fr/cours/travailler-en-france-a2-b1/>

Registration on Fun-Mooc:

● MOOC “Living and accessing employment in France”

- ✓ For anyone who wish to live in France, or has just moved there, and wants to know more about the organisation and functioning of our country.
- ✓ Anna and Rayan present the first steps to take when settling in (how to open a bank account, how to enrol your child in school, ...), the various public services and their usefulness, as well as practical guidelines for living in France (how to get around, what steps to take to find a job, ...).
- ✓ 3 hours in sequences of a few minutes to see and review at your own pace and according to your needs.

It is freely accessible, free and available all year round in French on the Fun platform:
