The plan shows a large building complex with multiple wings and internal courtyards. Key features include:

- Building Footprint:** A large, irregularly shaped building with various internal divisions and courtyards.
- Parking:** Several parking areas are indicated, including a large lot labeled '29.5' and another labeled '20.0'.
- Surrounding Area:** The site is bordered by a 'DEVIATION' (road deviation) to the north and east. A 'Commune' boundary is marked to the west.
- Infrastructure:** A 'Dourdan' station is located to the east of the building. A 'Bassin fond 145.72' (basin) is shown to the south.
- Topography:** The plan includes a north arrow and various elevation points (e.g., AE 197, AE 1212, AE 214, AE 159, AE 11, AE 10, AE 5, AE 4, AE 171).
